MILITARY MATTERS.

Washington Guards—Benefit of Mr. John E. Owens.—The public announcement that the above benefit will take place this evening, will be sure to attract a large audience. The plan of the benefit is to have an exhibition of the plumes of a most ludicrous character. The benefit will sustain his celebrated characters (made peculiarly his own) of "Billy Lack aday" and "Sailor Shingle," in the noted plays of "The Devil's Lawyer" or "The Yankee Tassester." The entertainment will conclude with the famous farce of "The Irish Tiger."

The company, at this house, is a great superior one, and includes Miss Mary Gralane, Miss V. Crocker, Mr. A. D. Davenport, Beers, Albaugh, Barrett, and Blodell, is worthy of mention as artists of acknowledged dramatic ability. We learn that several novelties of exciting interest are in a state of preparation, and will be shortly produced.

Go to Owens' benefit to night.

Grover's Theatre—Virginia.—This popular theatre was again densely crowded last evening by a fashionable audience, who evidenced a great intellectual enjoyment at the presentation of "The Devil's Lawyer." Mr. Davenport's delineation of the character of the Dutch Prince elicited the most enthusiastic applause. This evening, (Mr. Davenport's benefit,) the grand historical play of "Virginia" will be presented. In the first act, Mr. Davenport appears as Virginia, and in the concluding drama, as William, supported by the entire able company. The great success which attended Mr. Davenport in his impersonation of the Duke of York, will be repeated in this another presentation of "Damon and Pythias." Ada Parker, the popular tragedienne, will shortly appear.

Burke or Miss Maggie Mitchell at Fox's New Theatre.—As Miss Maggie has always received the generous patronage of the public, which continues to trust it will not be lacking in this, Two pieces will be performed, will be performed, Miss Maggie Mitchell in two characters; besides, this is the first appearance of her sister, Miss Emma Mitchell, who has now assumed the stage as her calling, and will be present for the benefit of the audience. Remember the grand grand benefit, at Ford's New Theatre, this evening. The plays—"Life of an Actor" and "The Wandering Boys."

CANTERBURY.—The beautiful Julia Mortimer wins new laurels nightly, and the modest Mrs. Julia Mortimer, to whom she is a sister, attracts great attention. The splendid dance, "Gipsy Lay," is the principal feature in each evening's performance, and great is the desire to see it; that were it not for the attractive character of the different acts which precede it, the audience would be compelled to remain waiting to see the two fair artists, Miss Julia Mortimer and Miss Marietta, in this magnificent dance.

This regiment, numbering 650 men, reached here about eleven o'clock last Wednesday night, from Providence. They number among them many who have already seen service. They are accompanied by a drum corps of eight pieces, 70 men, Col. McNeil, Lieut. Col. John Pittman, Adjutant Passasen, Sergeant Major Pittman. The larger portion of the officers were in the three months' service. "Little Rhody" does nobly.

Attention, Afflicted!

Dr. Valley is still engaged in an extensive practice in this city. We would call the attention of the poor, pain-stricken victims of their own sins to the best sources of remedy.

First, give up your present course of life at once and forever; and secondly, call on the most skillful physician in the city (that Dr. Valley) and be cured of the disease which is now undermining the constitution and sending you to a premature grave.

The Street Railway.

Is a matter of a good deal of interest to many of our citizens, especially those who live along the line. The road from the Maryland to the Potowmack is now open for operation, and is fully appreciated by the public, if we may judge from the amount of passenger traffic bestowed upon it. The Seventh street branches are nearly completed. The company will be in full operation in a few days, the difficulty in obtaining the iron railing, caused partly by lack of transportation and partly by the cessation of labor in the Pennsylvania iron works, the latter produced by the panic, running out of the State militia, with which workshops were completely emptied for about a week.

By next week, there will be sufficient iron here, and the Seventh street road will be in full operation in a few days.

Within a little more than three weeks, the contractor expects to complete the whole road and its branches.
